Brands.Campaigns.Websites.Apps.Video

Creative Solutions | In all creative work we strive to deliver strategic brand and marketing solutions using the latest digital technologies and systems to deliver your project expectations. We help clients launch and deploy brands, campaigns, apps, websites and video across the digital and online space.

Testimonials |

S. B. McLaws - Principal Delivery Project Manager, Microsoft Corporation - 'JAM Directions is a substantial contemporary multi-media business that consistently provides high quality work in Campaign Management, Online Production, Marketing Services and Screen Direction and Production for major Corporate Videos, DVD, Film, TV, Music Video and Television Commercials.'

WIFT NSW - Wow Film Festival - 'JAM Directions deserve accolades for the outstanding trailer, print production and website for the 15th WOW Film Festival and their fantastic support for the event. The outstanding new website features web TV, which will be continually uploaded with trailers and filmmaker interviews.'
